*Group airfare is economy class only on the exact dates above.

If booking your own airfare, please consider the following:

- The first group activity will be dinner on the 9th of September.
- You will fly into Thessaloniki (SKG) and out of Athens (ATH). You'll often find this listed as a multi-city itinerary. Sometimes travelers choose to fly roundtrip to Athens and then book a commuter flight up to Thessaloniki on Aegean Airlines. If you choose this option, be sure and add enough time between flights to get your luggage from baggage claim and recheck it for the flight to Thessaloniki.
- Plan to arrive in Thessaloniki by 2pm-3pm so you can get to the hotel and meet up for our group dinner around 6:30pm/7pm. You will depart the US on the 8th of September.
- Book your return flight after 11:00am on September 20th, 2024 to allow transportation time from the port of Athens to the airport.
- Many of our travelers arrive a day or two early in order to beat the jetlag before the tour starts. If you'd like to do so, we'd be happy to book you a room at the group hotel at the group rate.
- As we get closer to the tour date, we'll be sending out a request on our site where you can provide your flight information if you booked your own flight.
